

9MC Newsletter July 2010

AS IT LOOKS FROM HERE

I want to greet you all in the name of Lionism! As you know, the Lions year is July 1 to June 30. So as of July 1, 2010 I am your District Governor for all Lions in our District 9-MC. I'm sending this letter to the Presidents and Secretaries of each club in Dist.9-MC for the Lions year 2009-2010. The reason I'm sending this to you is I do not yet have the names of the 2010-2011 Pres. and Secs. So I'm trusting you might read this at a regular Club meeting or just pass it around at a Club meeting, and also give this to the New President and Secretary of your club for the year 2010-2011.

The First thing I want to say to you and your club is THANKS! Thanks for all you do as Lions for your community, your State and world-wide! Without you every day heroes we would not be able to help all the people we do at home, in the state and all around the world! So thanks again and keep up the good work!

I'm looking forward to getting acquainted with each and every one of you! I want to know all that your club does! I want to know about your fund raisers and how you spend your money. I want to know about the community projects you do that helps other people but maybe doesn't get counted as money raised or money spent.

I also want to know about your goals! Every Dist. Gov. has goals and I have one main goal that may help us all achieve our goals together. My number one goal is an increase in membership. If "we together" can achieve that goal, other goals will fall into place.

I want to visit your club! I want to help out at your fund raisers! I will visit each club in the District at least once and more as time and energy and weather permit. I invite you to contact me for a club visit or I will contact your club President so we can work out a good time for us both.

As I write this letter we need 3 Zone Chairs in 9-MC. Zone Chairs are one of the most important officers in the District. I thank those who have agreed to accept the position of zone chair for 2010-2011. We have one Region chair and would like to have one more, two would be better. You as club officers have the best insight as who might be willing to step forward and serve Lionism in this way. If you could give me a name and a phone number, I will contact that person.

Once again I want to thank you for all you have done and will do in the future as Lions, Lioness, and Leos in 9-MC!

I suspect that some of you may have problems from time to time. I want you all to know I'm here to help you in any way that I can! I want you to know you can contact me anytime. I hope that we will get acquainted to the point you will feel comfortable calling me should you feel the need to talk about whatever is bothering you or your club. Almost every problem can be solved by talking to each other and finding a solution. Let me know if I can help. Lets pledge to keep the lines of communication open! I will be gone the first two weeks in July attending the International Convention.

In closing I want you to know I'm excited to serve each and everyone of you as your District Governor for 2010-2011. You are doing well.

All Yours in Lionism,
Boyd A. Sparks
